## COMMISSIONERS' REPORT

---

### TO THE CITIZENS OF STRAFFORD COUNTY:

In accordance with the Public Statutes of the State of New Hampshire, the Commissioners of Strafford County herewith present the annual report of the County Commissioners, Treasurer, Superintendent of Farm, and House of Correction, Clerk of the Superior Court, Sheriff, Jailer, Solicitor, County Physicians, Chaplain and Auditors for the year ending December 31, 1914.

#### COUNTY FARM.

The County Farm and House of Correction has remained in charge of Mr. and Mrs. Edward A. Willand as Superintendent and Matron, who have performed the many varied duties of their office in a faithful and efficient manner. All needed repairs to the buildings have been made during the year, including the painting of all barns and interior of the almshouse. Most of the work has been done by those under sentence to the House of Correction and consequently has been but small actual expense to the county. The stock has been gradually improved and the farm has been in a good state of cultivation. For an account of the number of inmates cared for, crops raised and other statistics we would refer you to the report of the superintendent on another page.

## Report of the Superintendent of Strafford County Farm and House of Correction

---

Dover, N. H., JANUARY 1, 1915.

TO THE BOARD OF COUNTY COMMISSIONERS:—

GENTLEMEN:—I herewith submit my report as Superintendent of the Strafford County Farm and House of Correction for the year ending December 31, 1914.

To accommodate the increased number of inmates asking admittance to the institution, we have laid new floors, and otherwise equipped the men's attic, so that we now have twenty-six beds in use there.

I hereby express my thanks to the County Physician, Dr. J. J. Morin, and to our Chaplain, the Rev. E. W. Cummings. Our associations and labors together have been most pleasant.

Your advice and cooperation, gentlemen, is deeply appreciated and I am pleased to extend to you my sincere thanks.

Respectfully submitted,  
EDWARD A. WILLAND, Supt.

## REPORT OF PHYSICIAN.

---

### TO THE COMMISSIONERS OF STRAFFORD COUNTY:

GENTLEMEN:—I herewith submit my report as physician to the County Farm for the year ending Dec. 31, 1914.

The year 1914 has proven a successful one although our death rate seems high at first glance. This condition was due to the great number of hopeless cases brought to us during their last illness, several being at the farm but a few days. We were fortunate in having efficient nurses as well as valuable assistance from Superintendent and Mrs. Willand. To you gentlemen I am grateful for your cordial co-operation always and your liberality.

Considering the increased number of inmates there has been but a very little sickness. Most of our patients being persons brought to us for treatment, being sick when sent to the farm. Sanitary and hygienic conditions are as good as at any other county farm in the state. Everything possible has been done for the welfare and comfort of the inmates.

The number of deaths during the year were 32, due to the following causes, with the average age at death of 57 plus years.

Respectfully submitted,

J. J. MORIN, M. D.

Physician to Strafford County Farm.

TO THE COMMISSIONERS OF STRAFFORD COUNTY:—

GENTLEMEN:—The following report is respectfully submitted. The usual sickness and diseases found in such institutions have occurred at the County Jail. No deaths, no epidemics. The sanitary conditions are excellent. Everything possible has been done for the comfort and welfare of the prisoners.

J. D. O'DOHERTY, M. D.

## REPORT OF CHAPLAIN.

---

TO THE COMMISSIONERS AND CITIZENS OF STRAFFORD COUNTY:—

In presenting my report as chaplain of your County Farm, I would acknowledge the continued and utmost courtesy and co-operation of all connected with my duties, this, with the loyal support of the superintendent and his wife, has added much to the pleasure and helpfulness of my services.

It is a work that can but touch the heart of one who has sympathy for these to whom I in this capacity minister.

The service in the Chapel is but a small part of what may be done to help and cheer the inmates. This is shown by the expressions of gratitude from those confined in their rooms, the hearty smile of welcome that lights up many a sad face, with the, "God bless you," "for the kindness to me," that one hears so often. The thankfulness shown for the words of cheer and hope, for the literature I have been able to have through the kindness of those outside; and these from those even not accepting "My faith," have had no small part in the reward for the arduous labor I have been led to give. Conscious so often of a lack of power to help, such vast needs as have been before me; the need of the sad and suffering, yet I have tried to give the best I had to them as your representative in the capacity entrusted to me.

It has been one of my great desires and "day dreams," that the County might have a fairly equipped hospital for proper care of the large number of sick, so that the nurses might have their arduous labors lightened and at the same time be enabled to give more personal care than can possibly be given under present conditions, faithful though they are at present. Also that those in a fair degree of health might not be obliged to live in constant association with the fatally sick and dying.

With the increased demand for the care of the destitute,

sick who are brought here, the needy, aged and crippled, as well as those who must from certain conditions, have the care of the County, I am led to this conclusion; there will be a need in the near future of added accommodations, if justice, at least, is done to inmates and attendants. In this I am not pleading with the citizens and commissioners of Strafford County for an elaborate building, but sanitary and for the comfort of those whose conditions makes care imperative and humane. Again thanking all who have in any way assisted me, feeling that the citizens should appreciate the efficient work being done by those in charge of their County Farm, I submit this report.

EDWARD W. CUMMINGS, Chaplain.
